Re: Midland Suspension Hearing 56-329/330

Gentlemen:

Enclosed are Licensee's Further Answers supplementing and providing identification of documents and persons for answers heretofore made to the December 27, 1976 Interrogatories of All Intervenors Except Dow Chemical Company.

Included among the affidavits supporting the Further Answers is a Xerox copy of a telecopy of Mr. G. S. Keeley's affidavit, the signed original of which was not received in time for this filing. When Mr. Keeley's original signed affidavit arrives in Chicago, it will be filed with the NRC and copies distributed to the Board and parties.

Respectfully,
