DOCKET NOS. 50-329 AND 50-330

Irving Like, Esq.
Reilly, Like and Schneider
200 West Main
Babylon, New York 11702

Dear Mr. Like:

I have just received your April 20, 1972 request for documents. The Board Order of March 27, 1972 required the filing of detailed specific requests for documents by April 12, 1972 and provided that such requests "bear a heavier burden of showing 'good cause' than would have been the case a few months ago". You have not previously made any request for Applicant's documents and you did not file a request by the April 12 deadline even though you must have received the list of documents prior to that date.

Applicant does not believe that your request meets either the letter or the spirit of the Board's Order of March 27, 1972 because it is a general request for all documents contained in Applicant's list and because of your complete failure to set forth any "cause". However, if you will file reasonably specific requests for documents relating to your areas of contention, Applicant will make such documents available for your inspection in their respective locations, Jackson, Michigan; San Francisco, California; or Lynchburg, Virginia or will arrange for duplication of those documents that are neither copyrighted nor proprietary, upon your agreement to reimburse us for our cost of duplication.

Yours very truly,

/s/ John K. Restricker
