Docketing and Service Branch
Office of the Secretary of the Commission
U.S. Nuclear Regulatory Commission
Washington, D. C. 20555

Re: Consumers Power Company (Midland
Plant, Units 1 & 2) Docket Nos.
50-329 and 50-330

Dear Mr. Stephens:

Please find enclosed the signed original of the Exceptions of Intervenors other than Dow Chemical Company to the September 23, 1977 decision of the Licensing Board in the above dockets, as well as the signed original of Intervenors' Motion to dispense with the filing of briefs and the signed original of the Proof of Service of those documents.

Also enclosed are copies of letters to the Secretary of the Appeal Board and the Secretary of the Commission. As you will see from the letters, because it is unclear whether the Exceptions and the Motion are more properly addressed to the Appeal Board or to the Commission, we have served copies on both the Appeal Board and the Commission, so that both of the possible tribunals have copies of the Exceptions and the Motion.

Very truly yours,

Peter A. Flynn
