Proj. No. M-31

MEMORANDUM FOR: Charles E. MacDonald, Chief
Transportation Certification Branch, FC, NMSS

FROM: John P. Roberts
Transportation Certification Branch, FC, NMSS

SUBJECT: PROJECT NUMBER FOR ADVANCE NOTIFICATION
RULE MAKING DOCUMENTS

Effective July 31, 1980, a docket file has been established for the rule making on advance notification of interstate transport of nuclear waste to governors of states affected (Reference: Public Law 96-295, Sec. 301). The file has the Project Number M-31, Proposed Rule Making: Advance Notification to State Governors of Nuclear Waste Transport. All outgoing correspondence should reference "Proj. No. M-31" in the upper left hand corner of the first page. Request should be made that incoming correspondence likewise reference this number.

The TERA system is implementing this project number and will record correspondence.

The Public Document Room also has been informed of this rule making action and is establishing a Project Number M-31 file.

The office of the Secretary of the Commission has also been informed of this action and project number. At time of issuance of a proposed rule, they will designate this action with their own number PR-71(45FR___).

A handwritten signature in cursive script that reads "John P. Roberts".
