Note the schedule indicates the date when telecommunications support will be on site at the Regional Offices. The contractor shall perform all terminal installation and training within one (1) month following the above scheduled dates. The exact date any time of each installation and training shall be coordinated with (1) the Regional point of contact and (2) the COAR.

- B. Notwithstanding the aforesaid schedule, the contractor shall not perform any installations and/or training beyond Region V until such time that this change order is definitized by a supplemental agreement.
- C. If this change causes an increase or decrease in the estimated cost of or the time required for the performance of an part of the work of this contract, whether changed or not changed by this order, or otherwise affects any other provisions of this contract, an equitable adjustment shall be made: (i) in the estimated cost or delivery schedule, or both; (ii) in the amount of fixed fee to be paid to the contractor; and (iii) in such other provisions of the contract as may be affected, and the contract shall be modified in writing accordingly.

Any claim for adjustment must be asserted within (30) days from the date of receipt by the contractor of this notification of change.
