Dear Mr. Cucchiara;

I hope you don't mind my troubling you again for some help.

I have seen reference to a report that was issued by the Task Force on the Public's Right to Information; the panel of the President's Commission on the accident at Three Mile Island.

Would it be possible for me to get a copy of this report either through Freedom of Information or, if already published, by simply requesting it?

I would greatly appreciate anything you can do.

I hope everything has gone well since our last correspondence.

With all good wishes--

Sincerely,

*Lin Root*
