

UNITED STATES  
NUCLEAR REGULATORY COMMISSION  
WASHINGTON, D. C. 20555

June 11, 1980

Docket No. 50-320

Dear Mr Snyder - Thank you for your consideration. It shall be an education to read & try to understand the report! We continue to pray that God's Holy Spirit will enlighten and guide all of those involved in these momentous decisions, so that what is right and in accordance with His holy will, will be achieved, for the health & happiness of mankind & all creation. Sincerely,  
Mrs. Margaret Luff

Enclosed for your information is a copy of NUREG-0662, May 1980 "Final Environmental Assessment for Decontamination of Three Mile Island Unit 2 Reactor Building Atmosphere", Volume I. Volume II is being printed. It will be sent to you next week. The draft of this report was issued for comment on March 12, 1980.

This final report was prepared in accordance with the National Environmental Policy Act and the Commission's regulations in 10 CFR Part 51.

Copies of the report are being sent to everyone who submitted comments on the draft as well as to Federal, State, and local agencies. Although each comment may not be specifically addressed, all comments were considered and evaluated in preparation of the final report.

Sincerely,

A handwritten signature in cursive script that reads "Bernard J. Snyder".

Bernard J. Snyder, Program Director
