Mr. Charles E. MacDonald, Chief  
Transportation Branch  
Division of Materials & Fuel Cycle Facility  
Licensing  
United States Nuclear Regulatory Commission  
Washington, DC 20555

RECEIVED  
AUG 5 AM 11 12

Dear Mr. MacDonald:

In response to your letter Number FCTR:RHO 71-0192, Nuclear Packaging, Inc. Quality Assurance Description Number QA-78-1 has been revised to more fully describe the 10CFR71, Appendix E Quality Assurance System utilized at Nuclear Packaging.

The revised description is attached to this letter for your final review and approval.

Yours truly,

NUCLEAR PACKAGING, INC.
