

UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D. C. 20555

July 28, 1980

SECY-80-356

INFORMATION REPORT

For: The Commission

From: James R. Shea, Director
Office of International Programs

Thru: Acting Executive Director for Operations *TAR for W.J.D.*

Subject: REPROCESSING RETRANSFER FROM SWITZERLAND (BEZNAU) TO THE U.K.

Purpose: To inform the Commission of the subject proposed retransfer.

Review Date: The NRC consultation period expires August 18.

Discussion: Attached, for the advance information of the Commission, is a copy of a request to retransfer US-origin spent fuel from Switzerland to the U.K. for reprocessing. This request was received in IP on July 28.

The staff is preparing its analysis of this case and will forward it to the Commission shortly.

Joseph R. Laff
for James R. Shea, Director
