

DEAR SIRS - MADAMES:

3/26/80

PLEASE DO NOT vent the  
Krypton gas at JMI; do not  
let GPC do so. I do not believe  
anyone has been hurt so far by  
the events at JMI but I am strongly  
opposed to the venting of this gas. I am 3 1/2 months  
pregnant + I do not want my baby,  
myself - Not Any of my neighbors in this  
area contaminated. Sincerely, Brita Seck
