Dear Mr. Seyfrit:

This is submitted in response to your request in Ref. (1) for information regarding the packaging of low-level radioactive waste for transport and burial following operations conducted under the subject license. As stipulated in Section 4 of the Holmes and Narver license application, Ref. (2), the tailings produced by these operations, together with any contaminated equipment will be transported by the ore supplier to an existing licensed facility tailings pile disposal area. Arrangements for transportation and disposal of these tailings will be made prior to processing the ore in accordance with item 14 of the subject license.

Please note that our principal business address has been changed from 400 E. Orangethorpe Avenue, Anaheim, CA 92801, to 999 Town and Country Road, Orange, CA. 92668.

Very truly yours,

Frank D. Ducey, Manager
