Dear Mr. Steptoe:

Thank you for your kind personal remarks.

As you know, I intend to pursue Contention IIE-3; I mentioned this to Mr. Gallo during a lull in the conference call of June 23, 1980.

Enclosed is my initial response to your interrogatories dated July 8, 1980.

The earth beneath the night sky is so beautiful this summer. Stand beneath the moon some quiet night, Phil, and you may apprehend why I am resisting the pool modification.

Sincerely,
John P. O'Neill, II
