Gentlemen:

This letter is to give notice that we have concurrently asked our Office of the Controller to bill your Company for the review of Amendment 5 to Topical Report GA-A13010A entitled "General Atomic Quality Assurance Program" which was submitted to the Office of Nuclear Reactor Regulation (ONRR) for review on October 15, 1979. We understand that the ONRR staff completed the review of the above Amendment on December 13, 1979. Fees for this review are in accordance with 10 CFR 170.21, Category F - Special Projects and Reviews.

The total cost to be billed is \$468 based on review time involving 12 professional man-hours at \$39 per man-hour. The invoice for this amount will be sent to you by the Office of the Controller within a few days. Upon your receipt of the invoice, payment should be made to the U.S. Nuclear Regulatory Commission and forwarded to the Office of the Controller. When making payment, please make reference to the Controller's invoice number.

We apologize for the lateness of this letter. For future bills, we are striving to avoid a significant delay between the time the ONRR staff completes the review and the time the invoice is sent to you for payment.

Sincerely,

Signed, G. James Holloway, Jr.
