Dear Mr. Seyfrit:

In response to your letter of November 1, 1979, stating that you do not have a record in response to I E Bulletin 79-19 for J & P Corporation, please be advised that a letter dated August 14, 1979 was sent covering two licenses with a copy to NRC Office of Inspection and Enforcement in Washington (copy enclosed).

For your reference, License No. SUA-1329 is in Wold Nuclear Company's name but has recently been terminated upon our request. Also, License No. SUA-1337 is in J & P Corporation's name which is affiliated with the ownership of Wold Nuclear.

Please call upon me if you have any further questions.

Very truly yours,

D. C. Beling
Manager of Mining
