The Nuclear Regulatory Commission
1717 H STREET, N.W.
WASH. DC. 20585

Dear Sirs:

I AM WRITING TO YOU CONCERNING THE
VENTING OF THE KRYPTON-85 GAS, FROM
THE THREE MILE ISLAND NUCLEAR PLANT.

I WOULD HAVE TO SAY THAT IF THIS
GAS IS VENTED, THE GOVERNMENT OF
THIS UNITED STATES HAS LOST ALL
CONCERN FOR THE WELFARE OF THE
CITIZENS OF THIS COUNTRY.

WHAT STUDIES, IF ANY, WERE CONDUCTED
ON THE EFFECTS OF THIS SO CALLED
"SMALL AMOUNTS"!

THERE IS NO EASY ANSWER TO THIS
PROBLEM. BEFORE NUCLEAR ENERGY WAS
PUT INTO USE, ALL AREAS OF THE
OPERATION OF A PLANT SHOULD HAVE
BEEN EXAMINED. WHERE CAN THE WASTE
BE STORED SAFELY, IF IT CAN BE STORED
SAFELY. WHAT HAPPENS WHEN THERE

(2)

IS AN ACCIDENT?

Nothing is 100% SAFE FROM
ACCIDENTS.

Myself, my PARENTS AND MY FRIENDS
AGREE, THERE IS NO POSSIBLE WAY
THE VENTING OF KRYPTON 85 GAS
COULD BE SAFE, AND HAVE NO EFFECT
ON THE CITIZENS NEAR AND AROUND THIS
NUCLEAR PROBLEM.

There is NO WAY, THE PEOPLE SHOULD
HAVE TO PAY WITH THEIR HEALTH AND HARD
EARNED MONEY.

Wilson/Brococox should be held RESPONSIBLE
FOR ALL AREAS OF THIS ACCIDENT. NO
WAY CAN SHORT CUTS IN BUILDING BE
ACCEPTED. THEY SHOULD PAY FOR ALL
CLEAN UP OPERATIONS, AND FIND A
SAFE WAY TO EASE THE GAS BUILDUP.

VENTING THIS INTO OUR ATMOSPHERE
IS NOT ACCEPTABLE, AND, ANYONE (POLITICIAN)
THAT THINKS VENTING THIS GAS IS

The ANSWER, will NOT NOW, OR EVER
GET A VOTE OR BACKING FROM ME,
OR MY PARENTS.

P.S. I would greatly
APPRECIATE A
REPLY FROM THE
NRC.
