

NUCLEAR REGULATORY COMMISSION
APPLICATIONS FOR LICENSES TO EXPORT/IMPORT
NUCLEAR FACILITIES OR MATERIALS

Pursuant to 10 CFR 110.70(b) "Public Notice of Receipt of an Application", please take notice that the Nuclear Regulatory Commission has received the following applications for export/import licenses. A copy of each application is on file in the Nuclear Regulatory Commission's Public Document Room located at 1717 H St., N.W., Washington, D.C.

A request for a hearing or a petition for leave to intervene may be filed within 30 days after publication of this notice in the FEDERAL REGISTER. Any request for hearing or petition for leave to intervene shall be served by the requestor or petitioner upon the applicant, the Executive Legal Director, U.S. Nuclear Regulatory Commission, Washington, D.C. 20555, the Secretary, U.S. Nuclear Regulatory Commission and the Executive Secretary, Department of State, Washington, D.C. 20520.

In its review of applications for license to export production or utilization facilities, special nuclear material or source material, noticed herein, the Commission does not evaluate the health, safety or environmental effects in the recipient nation of the facility or material to be exported.

FOR THE NUCLEAR REGULATORY COMMISSION

Joseph D. LaFleur, Acting Director
for James R. Shea
Office of International Programs
