NUCLEAR REGULATORY COMMISSION

ATOMIC SAFETY AND LICENSING BOARD

John F. Wolf, Chairman  
Dr. Harry Foreman  
Dr. Martin J. Steindler

In the Matter of )  
WESTINGHOUSE ELECTRIC CORPORATION )  
(Alabama Nuclear Fuel Fabrication )  
Plant (ANFFP) to be located )  
near Prattville, Alabama )

Docket No. 70-2909

ORDER

(July 22, 1980)

On Thursday, August 21, 1980, beginning at 10:00 a.m. local time, a special prehearing conference on this matter will be held at the following location:

Federal Building and  
United States Courthouse  
15 Lee Street  
Montgomery, Alabama

If necessary the conference will continue on August 22, 1980.

As stated in the telephone conference call on July 17, 1980 between this Board and the parties hereto, this special prehearing conference is being held in order to:

- (1) Permit identification of the key issues in the proceeding.
- (2) Take any steps necessary for further identification of the issues.

8008190 314

C

DS02  
50/1

- (3) Consider all intervention petitions to allow the presiding officer to make such preliminary or final determination as to the parties to the proceeding, as may be appropriate.
- (4) Establish a schedule for further actions in the proceeding.

Further, the attention of the petitioners for leave to intervene is directed to 10 CFR 2.714(b) which provides that not later than fifteen (15) days prior to the holding of the special prehearing conference pursuant to section 2.751a, a petitioner shall file a supplement to his petition to intervene which must include a list of the contentions which petitioner seeks to have litigated in the matter, and the bases for each contention set forth with reasonable specificity.

The public is invited to attend this special prehearing conference, but members of the public may not participate therein.

IT IS SO ORDERED.

FOR THE ATOMIC SAFETY AND  
LICENSING BOARD

  
John F. Wolf, Chairman
