Reg Guide 4.14

Mr. Robert B. Minogue, Director
Office of Standards Development
U.S. Nuclear Regulatory Commission
Washington, DC 20555

Dear Mr. Minogue:

Recently I received a copy of Regulatory Guide 4.14, Revision 1, dated April 25, 1980. Since it is our general practice to record the nuclear standards referenced, cited, endorsed or included in bibliographies of Reg. Guides, while doing so I came across a typographical error in the bibliography of RG4.14. The standard listed as ANSI N14.10-1974 should actually read N13.10-1974.

I hope this information has been received in sufficient time to be included in the next revision.

Yours truly,

Erin P. Collins
