Dear Madam or Sir:

Enclosed please find a copy of a letter recently received from one of my constituents, Mrs. Constance Brown of Dover-Foxcroft, Maine.

Mrs. Brown is opposed to the building of a nuclear power plant in the Philippines, both because of the plant's proximity to Mt. Natib, an active volcano, and because of the unpredictable and inhumane behavior of the Marcos regime.

I would appreciate receiving your comments on the matter, which I will forward to Mrs. Brown. I would particularly like to have some background information on the issue, as well as the NRC's view of plant construction in that area.

Thank you for your time and efforts on behalf of Mrs. Brown.

Sincerely,

Olympia J. Snowe
