Gentlemen:

This refers to the investigation conducted by C. E. Alderson, Senior Investigator, of this office during the period June 18, 1979 - May 21, 1980, of activities authorized by NRC Operating License Nos. DPR-32 and DPR-37 for the Surry facility, and to the discussion of our findings held with J. Wilson, Plant Manager at the conclusion of the investigation.

Areas examined during the investigation and our findings are discussed in the enclosed investigation report. Within these areas, the investigation consisted of selective examinations of procedures and representative records, interviews with personnel, and observations by the investigators.

During the investigation it was found that certain activities under your license appear to be in noncompliance with NRC requirements. These items and references to pertinent requirements are listed in the Notices of Violation enclosed herewith as Appendix A and Appendix B. This notice is sent to you pursuant to the provisions of Section 2.201 of the NRC's "Rules of Practice," Part 2, Title 10, Code of Federal Regulations. Section 2.201 requires you to submit to this office, within 20 days of your receipt of this notice, a written statement or explanation in reply including: (1) corrective steps which have been taken by you, and the results achieved; (2) corrective steps which will be taken to avoid further noncompliance; and (3) the date when full compliance will be achieved. Details of activities involving safeguards and security measures are exempt from public disclosure in accordance with 10 CFR 2.790(d). Therefore, the response to Appendix B requested above should be incorporated in a separate paper and referenced in your reply.

In accordance with Section 2.790 of the NRC's "Rules of Practice", Part 2, Title 10, Code of Federal Regulations, a copy of this letter with the exception of Appendix B and the enclosed investigation report with the exception of portions of Section II, Paragraphs 30 through 34 will be placed in the NRC's Public Document Room. If this report contains any information other than that in Section II, Paragraphs 30 through 34 that you (or your contractor) believe to be proprietary, it is necessary that you make a written application within 20 days to this office to withhold such information from public disclosure. Any such application must include a full statement of the reasons on the basis of

which it is claimed that the information is proprietary, and should be prepared so that proprietary information identified in the application is contained in a separate part of the document. If we do not hear from you in this regard within the specified period, the report will be placed in the Public Document Room.

Should you have any questions concerning this letter, we will be glad to discuss them with you.

Sincerely,

James P. O'Reilly
Director
