Gentlemen:

Enclosed is IE Information Notice No. 80-24, "Low-Level Radioactive Waste Burial Criteria." If you generate low-level radioactive waste which is to be disposed of by eventual burial at one of the three commercial burial facilities in the States of Nevada, South Carolina, or Washington, you should review and abide by the criteria for low-level radioactive waste form as established by each burial site.

If you desire additional information regarding this matter, please contact the Director of the appropriate NRC Regional Office as specified in Appendix D, 10 CFR Part 20.

Sincerely,

James H. Sniezek
Director
Division of Fuel Facility and
Materials Safety Inspection
Office of Inspection and Enforcement
