Reference: Docket 50-128

Dear Mr. Miller:

On 25 July 1980 three copies of the Texas A&M University, Nuclear Science Center "Sixteenth Progress Report" were forwarded to your office. Enclosed are three corrected copies of Appendix III to that report. It is requested that the old Appendix III be replaced by the corrected copy. We regret the inconvenience but felt this was the easiest way to make the correction.

Sincerely,

D. E. Felts
Associate Director
