Attention: Mr. Walter P. Haass

Dear Mr. Haass:

In accordance with direction given in the NRC letter of February 13, 1978, please find enclosed for your review and acceptance four copies of B&ROE-COM4-1-NP-2 (DRAFT). This draft document contains the organizational changes which were indicated acceptable in your letter of July 17, 1980 and certain programmatic changes we intend to implement following your acceptance. All changes are highlighted by a line to the right of the paragraph which has been modified.

Please advise me of any additional information which you may require.

Very truly yours,

William P. Rausch
Director of Project Support
and Quality Assurance Divisions
