MEMORANDUM

The attached refers to a subject in which you are interested, and is, therefore, referred for your information.

Yours very truly

Bill Goodling

Representative
Pennsylvania House of Representatives
Washington, DC 20555

Dear Mr. Goodling:

As a homeowner and a businessman, I urge the NRC to bring Unit I of Three Mile Island back into operation as soon as possible. This operation would, of course, take place after reasonable safety inspections are concluded. But it is imperative that there be no further delays in using this economical power source.

Thank you,

Jeffrey W. Zoller
