SHOREHAM NUCLEAR POWER STATION - UNIT 1
DOCKET NO. 50-322

Dear Mr. Denton:

Due to the increased size of the PSI Plan, it can no longer be contained in one binder. Therefore, attached you will find a second binder for your use. (The inserts to the cover will be sent at a later date.)

In order to be consistent, I suggest putting "Section G" in the second binder, as it is the most extensive.

Please acknowledge receipt of this binder by signing and dating the enclosed transmittal control form.

Very truly yours,

J. P. Novarro
