Dear Mr. Barish:

I was unaware that status reports, as well as other pleadings, were not being received by the State of Texas in the above-referenced proceedings. I apologize for any inconvenience which this may have caused you, and I have taken appropriate steps to insure that you will now receive all Staff status reports and pleadings. To the extent that your request may pertain to status reports and pleadings of other parties, the Staff is unable to undertake service of their pleadings to you. I assume that you have already contacted them directly.

Thank you for bringing this matter to my attention.

Sincerely,

Fred Chanania
