MEMORANDUM AND ORDER

A report, dated August 26, 1980, submitted by the NRC Staff, on its own behalf and that of the Licensee and the several petitioners for intervention, recommended that the petitions by Mr. Steven C. Sholly, the Environmental Coalition on Nuclear Power (ECNP) and Mr. William A. Lochstet be granted but that a ruling on contentions be delayed pending further discussions. The Licensee and NRC Staff agree that each of the petitions have submitted at least one litigable contention.

The Board accepts as parties in this proceeding Mr. William A. Lochstet, Mr. Steven C. Sholly and ECNP upon the condition that it subsequently finds that each of said parties have advanced at least one litigable contention as required for intervention by 10 CFR §2.714.
