Report - Low Head Safety Injection Pumps

Gentlemen:

Enclosed are four (4) copies of a report on the "Low Head Safety Injection Pumps" as requested by your letter dated July 31, 1980. This report describes the modifications and testing conducted to assure the long term operability of the LHSI pumps.

We believe that the LHSI pumps are fully capable of performing their design function and will provide long term reliable operation if and when required.

If you have any questions, please contact my office.

Very truly yours,

C. N. Dunn
Vice President, Operations
