Re: In the Matter of General Electric Company, Docket
No. 70-1308

Dear Members of the Atomic Safety
and Licensing Board:

On August 14, 1980, General Electric filed its Motion To
Compel Discovery Against Rorem, et al. Pursuant to applicable
NRC regulations, any response Rorem, et al. wished to file was
due on August 29, 1980. Since General Electric has not, as of
yet, received any such response, it believes that the record
concerning its Motion To Compel is complete and that that motion
is ready for ruling by the Board.

Sincerely yours,

Matthew A. Rooney
