Middletown, Pa. 17057

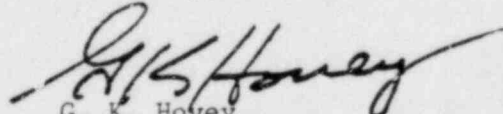

Dear Sir:

Three Mile Island Nuclear Station, Unit 2 (TMI-2)
Operating License No. DPR-73
Docket No. 50-320
Organization Plan-Rev. 1

This letter supplements the change request for the Organization Plan (Rev. 1) of August 12 and August 8 which defines the proposed new management organization for Three Mile Island Nuclear Station, Unit 2.

It is the intent of this letter to inform the NRC that the proposed change does not alter the responsibility that Metropolitan Edison Company has for the operation of the unit under its license. The reporting chain from the Director-Unit 2 to the President of Met-Ed is via the Deputy-Chief Operating Executive and the Chief Operating Executive. The Chief Operating Executive is the Senior Vice President, Met-Ed.

Sincerely,

G. K. Hovey
Director, TMI-2
