Docket No. 50-331

Mr. Duane Arnold, President
Iowa Electric Light & Power Company
P. O. Box 351
Cedar Rapids, Iowa 52406

Dear Mr. Arnold:

We have reviewed your response to our November 9, 1979 letter concerning those portions of your ECCS evaluation models, dealing with fuel cladding swelling and incidence of rupture.

We find that you have adequately confirmed the representations made in your behalf by your fuel supplier. We, therefore, conclude that your response is acceptable and that no further action is necessary.

Sincerely,

A handwritten signature in cursive script, appearing to read "T. A. Ippolito".
