Thank you for informing us of the corrective and preventive actions documented in your letter. These actions will be examined during a subsequent inspection of your licensed program.

In accordance with Section 2.790(d) of the NRC's "Rules of Practice," Part 2, Title 10, Code of Federal Regulations, documentation of findings of your control and accounting procedures for safeguarding special nuclear materials and your facility security procedures are exempt from disclosure; therefore, this letter and the referenced letter although not identified as containing 2.790(d) information will not be placed in the Public Document Room and will receive limited distribution.

Your cooperation with us is appreciated.

Sincerely,

Walter G. Martin, Chief
Safeguards Branch
