August 6, 1980

U.S. Nuclear Regulatory Commission
Division of Materials and Fuel
Cycle Facility Licensing
Washington, D.C. 20555

Gentlemen:

This letter is to request the University of Massachusetts' Special Nuclear Material license, number SNM-292, be renewed. The following is a list of changes to be noted:

- 1) RUC membership - ref: our NRC byproduct license, number 20-00882-03, for changes.
- 2) Sources are leak tested by EH&S office radiation safety personnel
- 3) All other procedures to protect health and minimize danger - ref: our NRC byproduct license, number 20-00882-03, type A, broad scope, which is in force with regard to our SNM-292 license

All other aspects of this license are unchanged.

If you have any questions with regard to this request, please contact Mr. James Tocci, Radiation Protection Officer.

Sincerely,

Henry Koffler
Chancellor
