ATTACHMENT

This payment is being made, under protest, to the Nuclear Regulatory Commission in compliance with the final order of the United States Nuclear Regulatory Commission entered on February 9, 1978, and publicly noticed on February 21, 1978 (43 Federal Regulations 7210) for inclusion in Title 10, Chapter I, Code of Federal Regulations, Part 170, entitled "Fees for Facilities and Materials Licenses and Other Regulatory Services under the Atomic Energy Act of 1954, as Amended, Revision of Fee Schedule". United Nuclear Corporation specifically requests that all payments made as a result of this rule refunded with interest, if, as a result of future review or as a result of any subsequent action on the part of any other licensee or concerned party, this rule is determined to be illegal under Federal or State legislation.
