DOCKET NUMBER 50-344
PROD. & UTIL. FAC.

July 29, 80

REC'D SEP 04 1980

Sen. Henry Jackson

AUG 1 9 41 AM '80

The Trojan Nuclear plant should be closed and defueled. The St. Helens volcano makes it impossible to move out of the area during an eruption.

If an accident should occur during an eruption my family and I may die.

Please Help!
