

UNITED STATES  
NUCLEAR REGULATORY COMMISSION  
WASHINGTON, D. C. 20555

June 10, 1980

MEMORANDUM FOR: Samuel E. Bryan, Assistant Director  
for Field Coordination  
Office of Inspection and Enforcement

FROM: T. M. Novak, Assistant Director  
for Operating Reactors  
Division of Licensing

SUBJECT: TMI-2 LESSONS LEARNED TECHNICAL SPECIFICATIONS

We have reviewed your comments on the subject Technical Specifications. It has been agreed by discussions between members of our staffs that the proposed addition is covered elsewhere in currently existing Technical Specifications.

A handwritten signature in cursive script, appearing to read "T. M. Novak".

T. M. Novak, Assistant Director  
for Operating Reactors  
Division of Licensing
