RE: Commercial Source Material
License Application, Docket
No. 40-8745

SUBJECT: Memorandum from W. C. Ackerman, DEQ, to
R. E. Sundin, DEQ dated August 4, 1980

Dear Mr. Rothfleisch:

Ogle Petroleum Inc. (OPI) does not intend to provide responses to the comments in the subject Memorandum since the comments are more in the form of comparisons rather than questions. It is OPI's understanding that the NRC is modifying the Environmental Statement so that the DEQ and NRC groundwater aspects are compatible.

Please contact me if the NRC desires specific information from OPI concerning the comments in the subject Memorandum.

Sincerely,

OGLE PETROLEUM INC.
