HOUSTON LIGHTING AND POWER COMPANY

(Allens Creek Nuclear Generating

Docket No. 50-466 CP 19

ORDER (September 12, 1980)

On September 11, 1980, Applicant filed a Motion For Extension Of Time To File Affidavits. Because of the unavailability of appropriate officers of General Electric and Brown and Root, as well as counsel for these two companies, to review and execute affidavits, Applicant requests a seven (7) day extension of time, from September 12 to September 19, 1980, within which to file the affidavits.

While good cause has not been shown, since we are not told why, in the past thirty days, these individuals have not been available, this is the first extension of time requested. Further, the granting of such a short extension will not delay the commencement of the hearing. Accordingly, the instant motion is granted.
