DISCLAIMER

This is an unofficial transcript of a meeting of the United States Nuclear Regulatory Commission held on September 3, 1980 in the Commission's offices at 1717 H Street, N. W., Washington, D. C. The meeting was open to public attendance and observation. This transcript has not been reviewed, corrected, or edited, and it may contain inaccuracies.

The transcript is intended solely for general informational purposes. As provided by 10 CFR 9.103, it is not part of the formal or informal record of decision of the matters discussed. Expressions of opinion in this transcript do not necessarily reflect final determinations or beliefs. No pleading or other paper may be filed with the Commission in any proceeding as the result of or addressed to any statement or argument contained herein, except as the Commission may authorize.

P R O C E E D I N G S

1
2 CHAIRMAN AHEARNE: The Commission meets this morning for
3 one major and one minor matter. I would like to dispense with the
4 minor matter first. That is an Affirmation Session to approve a
5 clearance for one of the Commissioner's assistants.

6 First, we are required to vote to hold on less than
7 one week's notice an Affirmation Session meeting. All in favor?

8 (Chorus of ayes.)

9 CHAIRMAN AHEARNE: John?

10 MR. HOYLE: Mr. Chairman, the paper before you is
11 SECY-80-405. That contains a recommendation from the director of
12 security that the Commission determine under Section 145(b) of the
13 Atomic Energy Act that Ms. Goldsmith may be granted employment
14 clearance with access to national security information and re-
15 stricted data, prior to the completion of the required security
16 investigation.

17 All of you have approved the paper. I ask you to affirm
18 this.

19 (Chorus of ayes.)

20 MR. HOYLE: Thank you.

21 (Whereupon, at 10:05 a.m. the Affirmation Session was
22 concluded and the Commission proceeded to other business.)
