Mr. Carlton Kammerer  
Director,  
Office of Congressional Affairs,  
Nuclear Regulatory Commission  
1717 H Street, NW  
Washington, DC 20555

Dear Mr. Kammerer:

I believe the attached material from my respected friend, Mr. Floyd Rongstad, merits full consideration by your agency. I will appreciate your attempt to insure that his idea regarding a safe method for disposal of contaminated gases is given a thorough review by the technical staff of the agency. Please forward the evaluation results directly to Mr. Rongstad.

Thank you for your assistance.

Sincerely,

DON H. CLAUSEN  
Representative in Congress
