Docket No. 40-4492

Dear Dan:

Attached are 10 copies of a response to Question 11 of the NRC letter of July 3, 1980.

Question #11

Provide a more detailed map of the area that includes appropriately labeled waterways. In particular, the Sage Hen Creeks and Diamond Springs should be labeled.

Response

Enclosed is one copy of each of the following U.S.G.S. Quadrangle Maps:

- Map 1: Gas Hills
- Map 2: McIntosh Meadows
- Map 3: Puddle Springs
- Map 4: Coyote Springs

These maps are intended for insertion in the transparent envelope under section 2, Question #11 of the FAP response dated August 29, 1980.

Sincerely,

Emmerson Kemp
