Docket No. 50-320

SEP 5 1980

The Post-Gazette
Attn: Copyright Release Office
Box 566
Pittsburgh, Pennsylvania 15222

Dear Sir:

Would you please sign and return the copyright release form below for the article "Don't Snub TMI-Thyroid Tie, Pitt's MacLeod Urges" from the February 26, 1980, edition of The Post-Gazette. The U.S. Nuclear Regulatory Commission (NRC) inadvertently printed a copy of the article in Volume 2 of its "Final Environmental Assessment for Decontamination of the Three Mile Island Unit 2 Reactor Building Atmosphere," a copy of which is enclosed. The article was sent to NRC by the TMI Legal Fund as an attachment to that organization's comments on NRC's draft Environmental Assessment.

The Final Environmental Assessment will be sold on a not-for-profit basis by the National Technical Information Service, a branch of the U.S. Department of Commerce, and by the U.S. Superintendent of Documents. Both of these agencies require that releases be obtained for copyrighted materials that appear in government reports they sell.

Please return forms by September 19, 1980, to:

Ms. Marilee Duncan
Three Mile Island Program Office
Office of Nuclear Reactor Regulation
U.S. Nuclear Regulatory Commission
Washington, D. C. 20555

Thank you for your cooperation in helping us to disseminate this important report.

Sincerely,

Bernard J. Snyder, Program Director
Three Mile Island Program Office
Office of Nuclear Reactor Regulation

Enclosure:
Volume 2 of NUREG-0662

8009260 083

P

Permission is granted for use of the material as stipulated.
