Gentlemen:

Attached please find an original and one copy of our application for renewal of license number 13-02752-03 which will expire May 31, 1985. We have attempted to include all pertinent information which addresses our entire radiation safety program. Should you have any additional questions, please do not hesitate to contact this office.

Sincerely,

Mack L. Richard, M.S.
Radiation Safety Officer

cc: Robert M. Witt, Ph.D.
Chairman, Radionuclide Radiation Safety Committee
