ASLBP No. 83-495-01-ML

September 5, 1989

MEMORANDUM AND ORDER  
(Admitting the City of West Chicago  
Pursuant to 10 CFR § 2.715(c))

In the course of a telephone conference held on September 5, the Board inquired whether the parties had any objection to the request of the City of West Chicago to be admitted as a party pursuant to 10 CFR § 2.715(c), which pertains to participation by an interested municipality. The City's request recites that it does not intend to take a position in the proceeding, that it does wish to be present at all hearings, that it intends to limit its activity to monitoring the issues currently pending, and that it does not intend to raise any new issues.

No party objects to this request. The City is admitted pursuant to § 2.715(c) and is to be added to the official

It is so ORDERED.
