Dear Mr. Peterson:

Subject: License No. XSNM02457

Advanced Nuclear Fuels Corporation requests that its plant in Lingen, West Germany be added as additional ultimate consignee on License No. XSNM02457. No other modifications to that license are required at this time. The proper designation for the consignee is listed below:

Name: Advanced Nuclear Fuels GmbH
Address: Pollersand-Industriepark Sud
Postfach 1465
4450 Lingen 1 Ems, West Germany

We would appreciate any expediting possible as a change in operating requirements necessitate shipment in early December.

Very truly yours,

CW Malody
