

UNITED STATES  
NUCLEAR REGULATORY COMMISSION  
WASHINGTON, D. C. 20555

October 26, 1989

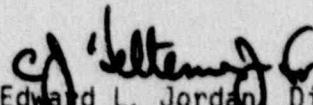

Mr. Joseph M. Felton, Esq.  
200A Monroe Street, Suite 225  
Rockville, MD 20850

Dear Mr. Felton:

This is in response to your letter to Samuel Chilk dated October 17, 1989 which notes that preliminary notifications are not being promptly sent to the PDR. We have modified our procedures in order to correct this problem. The PDR will now receive a copy of the PNs at the same time it is distributed to NRC headquarters offices. This action should assure that the PDR receives a copy of each PN almost as fast as the NRC offices.

I trust this action will resolve the problem.

Sincerely,

  
Edward L. Jordan, Director  
Office for Analysis and Evaluation  
of Operational Data
