Dear Ms Kolostyak,

On March 23 1988 we received Export License No. XU08659 on behalf of the Taiwan Power Company for the export of natural UF<sub>6</sub> to Europe for enrichment and subsequent return to the U.S. We subsequently received an amendment on June 23, 1988, changing the name of the ultimate consignee in Europe.

The license currently has an unused balance of 1,272,352 kilograms and is scheduled to expire on March 31, 1990. We would appreciate it if you could extend the expiry date to March 31, 1992.

Please contact me if you require any additional information in connection with this request.

Sincerely,

R.W. Fisk  
Vice President, International
