NOTE TO: Jim Holloway
FROM: Glenda Jackson
SUBJECT: NMSS' RECOMMENDATION FOR STAFF-HOURS FOR FEE CATEGORY 3I

As you know, the staff-hour data supplied by NMSS in March 1989 reflects an average of 14 hours for fee Category 3I amendments for FY87 and FY88. However, NMSS recommended that we use 3 hours in revised 10 CFR 170 due to "data anomaly due to 3M case." John Glenn agrees that the staff-hours shown for 3I amendments should be decreased from 14 to 3.
