FREEDOM OF INFORMATION
ACT REQUEST

FOIA-89-472
Rec'd 11/2/89

Dear Sir or Madam:

Re: Freedom of Information Unit

Pursuant to the Freedom of Information Act, 5 U.S.C. 552, I hereby request a copy of records pertaining to accidents and near misses in Nuclear Power plants, including statistics on workers being exposed to above acceptable radiation levels in nuclear power plants.

I am requesting these records for non-commercial use at an educational institution, with whom I will share my findings. I therefore request waiver of fees because my interest in the records is not primarily commercial and disclosure of the information will contribute significantly to public understanding of the operations of the government with respect to regulating nuclear power facilities.

I will expect a response within 10 days as provided by law. Thank you for your prompt attention in this matter.

Very truly yours,

Michael Daniels
