Re: Freedom of Information Act Request

Dear Mr. Grimsley:

We represent Neue Technologien GmbH und Co. KG., with respect to certain matters involving government contracts.

Pursuant to the Freedom of Information Act and implementing regulations, we hereby ask that we be furnished:

All documents relating to the allegations that Neue Technologien GmbH und Co. KG. ("NTG") illegally shipped nuclear technology and equipment to Pakistan without the approval of the German Federal Economics Office. These allegations appeared in both the German and American press during the week of December 20, 1988.

The Freedom of Information Act, as amended, provides that if parts of a file or record are exempt from disclosure, "reasonably segregable" portions must be released. We therefore request that if you determine any portions of the requested records to be exempt from disclosure, we be provided with all records or portions thereof which are not so exempt and with a detailed list and description of all records or portions thereof

for which an exemption is claimed and a discussion of the reasoning supporting your determination of exemption. See Vaughn v. Rosen, 484 F.2d 820 (D.C. Cir 1973), cert. denied, 414 U.S. 977 (1974); Mead Data Central, Inc. v. Department of the Air Force, 566 F.2d 242, 251 (D.C. Cir. 1977) ("When an agency seeks to withhold information it must provide a relatively detailed justification, specifically identifying the reasons why a particular exemption is relevant and correlating those claims with a particular part of a withheld document to which they apply."). Accord e.g., Coastal States Gas Corp. v. Department of Energy, 617 F.2d 854 (D.C. Cir. 1980).

We are, of course, prepared to pay whatever sums may lawfully be required for compliance with this request, but ask that you notify us if the cost will exceed \$50.00

Very truly yours,

Elizabeth A. Kaiser
